A fabulous end to an amazing year at SPAG!

Sports Week

I feel that sports week is definitely one of the most exciting weeks within our school calendar and the children most certainly agree! Mr Magee organised a wonderful week full of amazing activities for all of the children to enjoy. The judo and kickboxing were especially popular and the enthusiasm from the children was brilliant.

Family yoga was highly successful and a real time to relax and spend quality time as a family. The yoga sessions are a wonderful way to help us to relax and develop a healthy mind set in a very busy world! The highlight of the week has to be

the Cancer Research family fun run. We are so proud of the commitment from our children and families to raising money for this amazing cause. There was lots of passion and enthusiasm at the

event with perhaps a few strained leg muscles the next day but what a wonderful experience. It showed great community spirit, something that we are extremely passionate about at SPAG. Watch this space for our total - the current figure stands at around £1400!

Wow Days

Year 1 and Year 2 showed brilliant homework projects in their Wow day - a wonderful commitment to learning. Well done KS1! I especially enjoyed the problem solving skills that were needed when making the beach huts - thank you parents! Overall, a great topic that the children thoroughly enjoyed.

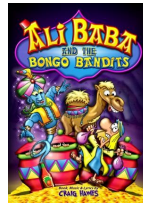

Year 3 and Year 4 also held their Wow day which encompassed all the learning about the rainforest. Once again, fabulous homework topics and a real commitment to learning. The artwork that the children produced on the day was beautiful. Great skills with soft and oil pastels - well done Year 3 and Year 4.

Year 5 and Year 6 completed their Wow day last week which showed wonderful learning about The Holiday Show! Year 5 and Year 6 also incorporated our Eco friendly school initiative by making a potato salad from our home grown potatoes.

Ali Baba

I hope you were blown away by the quality of our Year 5 and Year 6 performance this year!

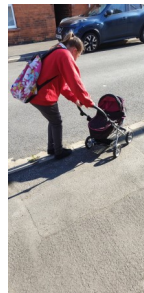

The children were true professionals and produced an amazing show. Their confident acting skills and singing was sensational and a real pleasure to watch - well done Year 5 and Year 6!

Year 6

And now to Year 6 ...

A great end to their primary school year; wow day, Ali Baba, sleep over and flour babies to name but a few events that have taken place over the last couple of weeks.

We are extremely proud of these children. The effort that they have put into this year has been exceptional and I can confidently speak for every member of staff and say that we wish them all every

success in the future. At SPAG we have built the foundations of their learning and they will continue on their journey to be happy and successful people. Well done Year 6 - now is your time to shine!

September 2019

As we approach the new academic year we would like to send a quick reminder about school uniform.

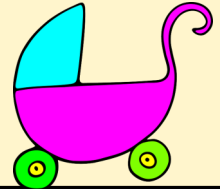

Our children need to wear black school shoes and have red jumpers or cardigans, white T-shirts and grey shorts, trousers or skirts. A red checked summer dress is another option.

Our PE kit is black shorts and white T-shirts. We have really high expectations at SPAG and it is important that our children look smart in order for them to be the best they can possibly be.

The children start back at school on **Wednesday 4th September**.

Have a wonderful summer break!

Congratulations to Mrs Thorne and her family - they are expecting a baby due near Christmas time!

19th July 2019

Dates for your diary:

Children return to school on **Wednesday 4th September**

25.9.19 Bushcraft Residential Year 4 and Year 5

Attendance Winners for the Year!

Well done Year 2 and Year 6. Fantastic yearly attendance
