Rand Farm Residential

Children from our Year 3 class had a fantastic time as they stayed over at Rand Farm Park. Please read Tsveti's account below!

"As soon as we arrived at school, everyone was excited. All you could see was delighted, joyful and cheerful faces. People were putting their child's luggage in the corner. Just then, I heard the bus so I rapidly gave my mum a squeeze then went to the bus. One hour later, I was there. The first thing they showed us was our rooms. A while later, when we finished unpacking, we came downstairs. After that, we had the most delicious and appetising lunch. A while later, we fed the animals for about an hour but one of the cows bit me. After that, I did not want to feed any of the animals at all! When we came back it was nearly bedtime but there was a meal left to finish the day. We had a starter, main course and dessert, as always! It was delicious. We then got to have a hot chocolate and went to bed. The next day, we got to explore the old and new wood. We had a lot of fun but, it was time for home."

A great recount Tsveti, and a wonderful time was had by all. Thank you to our staff who accompanied the trip and gave up their own time and home comforts!

This year we will be having a **whole week of creative activities for WORLD BOOK DAY.**
