What a busy week at SPAG!

This week has been another VERY BUSY week with lots of exciting trips and events.

Y6 had the most amazing residential visit to London, where highlights included watching an award winning musical in the West-End and exploring the newly opened

Gringott's Bank at the Harry Potter Tour.

Y3 and Y4 visited the Lincolnshire Show, where they hosted a special stall showcasing the school's eco work. The judges were wowed by our school's passion for all things eco and honoured us with a 'Highly Commended Award'. A big thank you and well done to all the children and staff involved.

Reception and Y1 also enjoyed working with their friends from St. Michael's, Thorpe-on-the-Hill at Whisby Nature Park and LCFC.

Summer Fair at St Peter at Gowts Primary School

We are really looking forward to our Summer Fair on **Friday 28th June (3:00-5:00pm)**.

There are several raffles taking place this year and lots of amazing prizes to be won! Tickets for all raffles will be sold on the morning of and during the fair - please look out for staff and PTA members selling these.

The annual cake making competition is also returning. Children, get your aprons on and get creative with your baking skills! We look forward to seeing all the delicious cakes. We have lots of fun and exciting activities that will be happening during the fair, such as: face painting, tattoos, slime making, penalty shoot out, the LCFC's Trophy will be on site to name but a few things.

On **Friday 28th June**, school (including the Nursery) will close at a slightly earlier time of **2.50pm** to allow staff to put the finishing touches to the stalls for our Summer Fair that will start at 3:00pm. There will be no afterschool clubs on Friday, however, Kids' Club will run as normal in the Nursery.

NEW BABY

ANNOUNCEMENT

Congratulations to Miss Jola who has given birth today to her gorgeous baby boy 'Julian'. Mother and baby are both doing well. We wish the whole family well and know that Matilda will make a great big sister!

A polite reminder about Twitter

Parents and carers are welcome to save photos of their **own** children from the school's and teacher's Twitter accounts. We know that you will want to treasure photos of their achievements and experiences at our school. However, as with school performances etc, we do ask that any photos where other children could possibly be identified **are not** shared on personal social media accounts. We appreciate your continued support with this matter.

The new school year

As the new school year approaches, we are very pleased to announce that Mr Rollinson will be joining us as a member of our teaching staff. Mr Rollinson has completed his teacher training with us this year and is going to be an incredible addition to our staff team.

We also officially welcome back Miss Hayward from her travels.

Sadly, we will be saying goodbye to two of our teachers: Mrs Logan and Mrs Eaton. Mrs Logan is moving onto a part time teaching position at Swinderby CE Primary School to allow her to spend more time with her family and enjoy her sport. Mrs Eaton will be continuing her mentoring of future teacher training in and around Lincolnshire. She will not be based at our school but we will still be seeing lots of her! We would like to thank both Mrs Logan and Mrs Eaton for all their hard work at St Peters - they will both be missed by the children and staff.

How can we be caretakers of our world?

This week, Mr Housam spoke to us about small changes we can make that will make a big difference, such as: turning off lights and walking rather than driving. What small changes could you make at home?
