

## NEWSLETTER 2019

### Thorpe on the Hill Visits

Our amazing partnership continues with our partner rural school, with children enjoying a wide range of indoor and outdoor activities. Of course, the favourite is still toasting marshmallows round an open fire, but it is wonderful for the children developing friendships and working as a team with other children.

### EPIC PERFORMANCE!

Well done to our Year 5 children who performed on stage at the LPAC last week. The Year 5 children have been working with professional musicians for the last term to develop their musicality and the results were superb! Their compositions and individual performances were absolutely amazing and we are very proud of each and every one of them.

### Photograph Reminder

Please remember that if you are in school, you are not allowed to take photos during assembly. There are several children in school who, for various reasons, cannot be photographed. Therefore, we will have to be very strict with any parents taking photos and failure to comply with our policy will mean that parents will not be allowed to attend assemblies in the future.

### Weather Warning

Please keep an eye on Parentmail and Twitter if the weather conditions worsen. If there are any school closures this will also be reported on the BBC Radio Lincolnshire and Lincs FM websites.

### Holidays During Term Time

Please note that **NO holidays during term time will be granted.** We would therefore kindly ask that no forms are submitted with requests for holidays during term time. This is not a school specific policy, all schools enforce this ruling as it is so detrimental to the children's learning. We hope that you will respect our policies and procedures regarding this issue and support the school fully, requesting leave in only **exceptional and unavoidable circumstances.**

### PARENT COUNCIL

#### Have your voice heard!

Please come and have your say about our school. It is important that we hear your views about school and any suggestions you may have to improve our provision. Parent Council is led by Parent Governors, our Parent Support Advisor and Headteacher. It will take place at 9 o'clock on the 1st of February in the library. We look forward to seeing you there.

### Parent Governor Voting

Thank you to all those parents who voted in our recent parent election to join our governing body. The voting was incredibly close, with Natalie Swain gaining the most votes. We thank both candidates for their application and wish Natalie all the best in her new role as Parent Governor.

### Valentine's D-I-S-C-O
