Summer Fair at St Peter at Gowts Primary School

Our Summer Fair raised an incredible £1500! WOW!

Thank you very much to Mrs Robinson and the Friends of SPAG for all their hard work in organising this fantastic event. All the money raised will be put towards taking the whole school to the pantomime at Christmas. We can't wait!

Another busy week at SPAG!

This week has been another VERY BUSY week with lots of exciting trips and events.

At the beginning of the week, Y1 and Y2 visited Cleethorpes. They had a wonderful day in the sunshine at the seaside and enjoyed playing on the

sand, a train ride and eating yummy ice-cream.

The Y5 children embarked on our first camping adventure! Sleeping in tents, meeting local wildlife, rock climbing, campfires and orienteering made this 'the BEST TRIP EVER' according to the children (and the adults!). It certainly looks like they had lots of fun!

Y6 even managed to sneak in a trip to Hackthorne Farm in amongst their production rehearsals. After exploring the fields and the crops, the children harvested some seeds from the wheat and made their own dough. The afternoon tractor ride also proved very popular!

On Thursday 4th July, Mr Marshall and Miss Clark took a small group of Y3, 4, 5 and 6 children to take part in a friendly athletics competition at Bishop King School. They were very proud of the

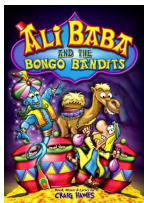

children's effort and sportsmanship.

Ali Baba and the Bongo Bandits

The Y5 and Y6 children are working hard on their end of year production.

Tickets for the performances on Tuesday 16th July are now available via ParentMail.

Sports Week

We are very excited for Sports Week next week! Children are invited to wear their PE kits into school everyday. Please also ensure children have a water bottle, sun cream and a sun hat. Mr Magee has been busy planning and we have a jam packed week full of special visitors, workshops and sporting events. Every day will begin with a whole school Zumba or fitness session in the playground - parents are encouraged to join in too!

KS2 Sports Day - Tuesday 9th July Reception & KS1 Sports Day - Wednesday 10th July

Both Sports Days will be held on the LCFC 3G pitches and begin at 9:30am. If you are able to support us in walking the children down to LCFC, then please speak to your child's class teacher. Your support and encouragement is hugely appreciated so please come and watch your children take part in events.

Thursday 11th July - Family Yoga Sessions

These sessions will take place in the school hall. Please feel free to turn up and join in. Reception and KS1 session 3.30pm-4.30pm. KS2 session 5pm - 6pm. Siblings are welcome at either sessions.

Friday 12th July 2pm - Charity Fun Run

This wonderful charity is close to many people's hearts and therefore we have decided to complete a funding event where the money will go to Cancer Research UK. Right now, our very own Mrs Cooper is fighting this battle and she is not alone. 1 in 2 people suffer from cancer over their lifetime and Cancer Research UK is battling hard to find a cure in the hope of a world without cancer. The children will have 30 minutes to complete as many laps around LCFC pitch as possible. Families are also extremely welcome to join in. Please come and support us in this amazing event. Your child has already received a sponsor form to bring home from Cancer Research UK so please collect as many sponsors as possible. There will be prizes for the most sponsors and Cancer Research medals for the children.

Talking Time - Creation

This week, Mr Housam spoke about the beauty of God's creations in collective worship.

What places and animals do you think are beautiful and why? Remember, beauty is in the eye of the beholder.

5th July 2019
