

SAINT PETER AT GOWTS 15.9.23

FROM THE HEADTEACHER

Dear St Peter's Families,

The children have started the term extremely well and embraced the many opportunities of the St Peter's curriculum!

As you will know we have amended Forest School slightly to ensure the children are receiving the full Bushcraft experience. This was met with great enthusiasm as the Yr5 children completed their full Bushcraft day! Their next Forest School day will include skills for shelter making and camping which will lead into their camping residential in the summer term.

Wow days have been aplenty! The children have included many art and design skills when creating their Stone Age work and I know the History workshops have been highly successful. It's a great hook for learning and really enhances the immersive learning experience for our children.

At St Peter's we have over 20 after school clubs and try to accommodate as many children as possible. We still have a few spaces in the skipping club if your child would like to join us on a Tuesday. Unfortunately, Lincoln City After School Club is no longer offering a 4.15pm pick up for our children therefore if your child goes to the After School Club they will not be able to attend a school club. If you have any questions about 4.15pm pick up please speak to Lincoln City or pop into the School Office. We will keep reviewing and I'm sure they will support us if they have capacity.

For morning drop off, please can you drop your children at the school gate. This gives the children an opportunity to develop their independence and walk into class on their own. If you need to speak to the class teacher, please mention this to the person on the gate. If you need to speak to Ms Gledhill, please go to the School Office. Thank you for your support.

Best wishes,

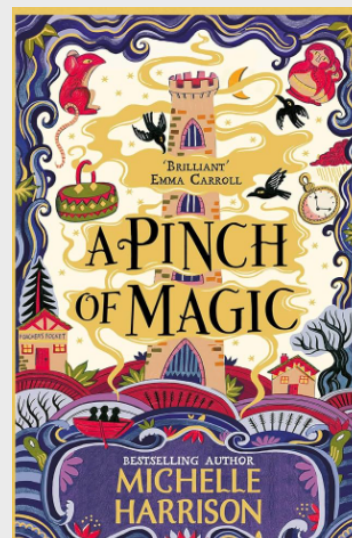

Emily Mayer

MRS MAYER'S BOOK REVIEW

I recommended this book over the Summer Holidays. It's a fabulous magical adventure with brilliant characters! A great quest for self-identify and recognition for the importance of teamwork.

The Widdershins sisters, Betty, Fliss and Charlie are trapped, prevented from leaving their home on Crowstone by an ancient family curse. When they inherit three magical objects with the power to change their fate, adventure beckons. But are they being led into even greater danger?
