Fortnightly News Updates

2017/18 Staffing Update

We are delighted to be able to confirm next year's teaching staff list. You will notice there are a few changes. New teachers and leaders bring their own skills and enthusiasm. Indeed, one of our new teachers Mrs Logan is representing Great Britain as a tri-athlete in the World Championships 2018, so she may rival Mr Magee for the sporting crown!

Nursery - Mrs McCormick

Year R - Mrs Gough

Year 1 - Miss Booth and Mrs Thorne

Year 2 - Miss Smith

Year 3 - Mrs Logan

Year 4 - Mrs Eaton and Mrs Mayer

Year 5 - Miss Hornsey

Year 6 - Miss Witton

Non class based teachers - Mrs Bradley, Mr Pyburn and Mr Magee

We are delighted to welcome Mrs Logan and Miss Hornsey to our staff team and also welcome back Mrs Bradley. We also introduce our new deputy head teacher Mrs Mayer who has already started working at the school part time. We are so lucky to have her as part of our new staff team. She will be on the gate next week so you can get to know her before September.

We also say a very fond farewell to a few of our well loved members of staff. Firstly, Mrs Cawthra is returning to her previous school at Thorpe on the Hill in September. We would like to thank her for all her hard work over the last two years and being quite simply an exceptional reception teacher!

We also say a very sad goodbye to two of our school leaders, Mrs Garland and Mrs Wilson. Mrs Garland now has two children and has accepted a job as Assistant Headteacher much close to home. She will be very missed but we are delighted for her and wish her well. Mrs Garland has been at St. Peters for many years and we thank her so much for her dedication and passion for our school.

Also, Mrs Wilson was keen to pursue her career into headship and we are proud to announce she will be starting as Headteacher at Bracebridge Infants School. Good luck in your future career Mrs Wilson!

National Sports Week—date for the diary!

National School Sports Week is nearly here! Monday 25th June kicks off a jam packed week of sporting activity including BMX, freestyle football, balloons, kickboxing, free bounding, judo and lots more!

Children will be engaged with sports throughout the week including in their maths and English. We are inviting all children and staff to come to school in PE/sports kits everyday in Sports week.

During the week you will be able to follow all the excitement on our twitter accounts using #SPAGsports and in addition we would love to see the children competing/playing/practicing sport at home so please celebrate sport with us and send us your photos on twitter using #SPAGsports as we have lots of prizes for the best pictures.

Thank you,

Mr S Magee Sports Leader
