Fortnightly News Updates

SPORTS RELIEF AT LCFC

Well done to all our pupils who managed to run a mile or more at Lincoln City stadium this week. We had a huge amount of parents and volunteers join us and the community spirit was really wonderful! We are pleased to report that every single pupil managed the mile, with some running up to 12 times round the stadium! Thanks to Mr Magee for organising, to everyone for supporting and to the super fit mums and dads who joined us.

The event was so successful that BBC Look North even interviewed a few of our pupils and took some footage of the runners. This was a very proud moment to be on the television this week, St. Peter's School are now officially famous!

Please could sponsor money be handed in to the Office next week.

SPRING MUSICAL EVENING

Thank you so much to all our wonderful performers who entertained us last night at our musical evening. The range of performances was impressive—from clarinets to pianists, singers, Taiko drummers and so much more. Well done to all involved—you were incredible! Our 3 trophies from the Music and drama festival show how well the arts are being developed at our school!

Value this term - **Happiness**

How can you achieve ultimate happiness?

23rd March 2018

26/4/18 - Y1 Family Worship

Years 5 and 6 Wonder Day

Well done to all our Years 5 and 6 for producing amazing homework projects this week. They were of an incredible quality and the children were so proud of what they had created. Thanks also to the mums and dads who supported! Years 5 and 6 also have enjoyed a trip to the Leicester Space Centre and even held their own rocket launch!

CHARGE INCREASE FOR BREAKFAST CLUB

For many years now, our Breakfast Club has been charging £1.50 for the childcare and breakfast food before school.

After a review of our finances, and with consultation with other schools, we have made the decision to increase this payment to £2.00 per day. So, for the cost of £2.00 your child can come to school at 7.35am, receive childcare for one hour and receive a nutritious breakfast.

We still believe that this provides excellent value for money, and continue to offer a discount for families in receipt of pupil premium. Please see Mrs Cooper for more details. This change will be made in the Summer Term.

QUIZY BINGO NIGHT

Are you looking for a fun family night out? If so, please put Friday 20th April in your diaries, more details to follow. Please do bring the whole family along for a great fun quiz night to raise money for our school.

Attendance

Well done to Year 1 (99.3%), and Year 5 (99.3%) for their great attendance this week
