

SAINT PETER AT GOWTS - 26TH MAY 2023

FROM THE HEADTEACHER

Dear St Peter's Families,

We have had a very busy term! All the children have worked extremely hard and produced excellent learning. Our Year 6 and Year 2 children have worked extremely hard on their assessments and their resilience has been amazing! We are very proud! Our Year 6's have also just completed their 2 week intensive swimming course and we have received great feedback!

This week we are celebrating as we have received the Primary Science Quality Mark GILT Award for our science curriculum. This award is a recognition for the excellent science curriculum that we provide at St Peter's. It is one of the higher science awards! Thank you to all the teachers that have worked extremely hard to provide the evidence for the science portfolio.

Arts Week is also well underway this week. We have focused on architecture in our community as a key theme and planned a progressive Arts Week curriculum across the school. The children have visited key buildings in the local area and been inspired to create their own architecture designs. We would like to thank Greystones Design and Architecture for coming into school to discuss the job opportunities involved in architecture. Hopefully the children were inspired by this wonderful opportunity and it might be a career opportunity for them in the future!

Have a wonderful half term! We will see you on Monday 5th June.

Best wishes,

Emily Mayer

INAM PATEL VISIT

A massive thank you to Inam Patel from Lincoln Mosque for leading a collective worship on Wisdom from a Muslim perspective. We learnt about the story of the Black Stone and thought about how we can apply to our own lives! The children's responses were fab!

WEAR IT WILD - IT'S COMING SOON!

Friday 9th June!
Is Wear It Wild Day!

This is one of our favourite events at St Peter's! We will have a non-uniform day to raise money for the WWF. Get creative with leopard print dresses, stirred socks, or zebra-patterned tee shirts - anything animal inspired works!

Brave it. Rock it. Nail it. Boss it. Because if we are going to save our world, we need to be fiercer, braver and louder than we've ever been!

We cannot wait to see your outfits!

MRS HICKERTON'S BOOK RECOMMENDATIONS

These are a great series of books for our early readers. The text is easily accessible and there are lots of exciting images to inspire the imagination!

Andy and Terry live in the WORLD'S BEST treehouse! It's got a giant catapult, a secret underground laboratory, a tank of man-eating sharks and a marshmallow machine that follows you around and shoots marshmallows into your mouth whenever you're hungry! Just watch out for the flying cats, or the mermaids, or the sea monsters pretending to be mermaids, or the giant mutant mermaid sea monster . . . Oh, and, whatever you do, don't get trapped in a burp-gas-filled bubble . . . !

DIARY DATES

Friday 26th May - Children finish for half term

Monday 5th June - Children return to school

Monday 5th - Wednesday 7th June - Year 6 London Residential

Friday 9th June - Wear It Wild Day

Wednesday 21st & Thursday 22nd June - Y3/Y4 Lincolnshire Show
