

St Peter at Gowts C of E Primary School

TERM STARTS WITH A WOW!

The children are looking forward to some exciting events as we celebrate the start to our new learning and engage the children in their new topics. Our new areas of learning are as follows.

Years 5 and 6 - SPACE EXPLORERS

Years 3 and 4 - SCAVANGERS AND SETTLERS

Years 1 and 2 - CIRCUS IS COMING TO TOWN

Nursery and Reception - WHAT HAPPENS WHEN I FALL ASLEEP?

CLUBS

Clubs will start again next week. Please look out for our clubs form on Parentmail and see what great opportunities there are!

LET'S GET FIT - SPECIAL SPORTING EVENT

St Peter at Gowts Primary School have decided to host a charity Activity Sports day in memory of Alex Robinson. On Monday **8th January 2018**, our whole school will be taking part in fun, sporting activities all afternoon in the school playground, while at the same time raising money for Lincoln County Hospital children's ward. The school is asking for a donation from each child (£1 - £2 recommended) to take part in the afternoon and help our school raise money for our local children's ward who do so much to support our families. All parents are welcome to come and join in the fun from 1.30 - 3.00pm.

LET'S GET FIT!

Mr S Magee
Sports Leader

NEWSLETTER 2018

HAPPY NEW YEAR to all our wonderful pupils and their families!

As we start the new year, I would like to take this opportunity to thank parents for all the support they give to their children at home.

At St Peter at Gowts, we understand that life can be busy, but we recognise that children need the support of adults at home if they are to succeed in school. This includes

- **READING** at least 3-5 times each week
- **Return homework books weekly**
- **Arrive at school punctually (8.45am)**
- **Attend school regularly (95%)**
- **Ensure PE kit is in school AND NAMED**
- **Access clubs and opportunities to develop different skills**
- **Be positive about learning and achievements at school**

We can only be successful as a school if we work in partnership with our parents. Please try to help us help your children to make progress and be happy and settled at school.

TEA-TOWELS FOR SALE

We have some very beautiful tea-towels with your child's picture on them. They are on sale (£4) at the office and the money raised goes directly to benefitting the our children. Please support our PTA and buy one as a lovely keepsake which is also functional!

VALUE THIS TERM - SELF BELIEF

Please join us in helping your child develop their self-belief and confidence this term. This is a crucial value which will help them to be happy and succeed. Let's hope all pupils develop an understanding of how special, unique and wonderful they really are!

SCIENCE WEEK

Science week is next week. The children will be investigating crimes and finding out about the exciting world of forensics. Watch out for the police crime scene tape on Monday!
