

Years 5 and 6
Spring term 2019

Innovative Inventions...

RE

Y5 –Term 3 Salvation - How does Salvation link to the 'Big Story' of the Bible?
Term 4 Incarnation- Why do people believe Jesus is the Messiah and was this his purpose on Earth?
Y6 – Creation: What accounts do Genesis and Science give for the creation of the universe and how do these theories conflict and coincide. Can you follow both belief systems?

Computing

-Publishing writing- editing fonts and including effects and then sharing with parents

-Using 'Show Me' app to create oral explanation texts.

Science

Evolution and Inheritance
-How are fossils used as evidence of the past
- How characteristics are passed to offspring
- How animals adapt to their environment and how this can eventually lead to the evolution of a species.

Special days

Magna Science Center 19th
March

Wonder day 1st April 2019.

History and Geography

-Important inventors and inventions (from British and world history) focusing on the Victorian era.
