

Communication and Language

This term in Little Learners we will be focusing on:

- Asking our own questions.
- Using different tenses in our talk.
- Developing our recall of stories we hear and joining in with stories with a pattern.
- Continuing to build up a wide range of vocabulary which is linked to our learning.
- Using more complicated sentences and more interesting words.

Personal, Social and Emotional Development

Little Learners are learning to:

- Extend our conversations in role play with others.
- Think about how we can solve problems together and negotiating in play.
- Work together to take turns, share and help each other.
- Play with others and listening to others to adapt our play.
- Use scenarios, thinking about how we can help others.

Physical Development

Little Learners are learning to:

- Find out about the effect of activity on our bodies.
- Throw and catch a large ball.
- Take part in our Sports' Week.
- Stand on one leg
- Make obstacle courses and moving over them in different ways.
- Develop our pencil grip and control to be able to write our own name and recognisable letters.

Just the job! & Oh I do like to be beside the seaside!

Little Learners - Summer Term '19

Literacy

This term in Little Learners we are focusing on:

- Enjoying a wide range of books including The Lighthouse Keepers' Lunch, Gus' Garage, Billy's Bucket and Flotsam.
- Listening to stories and thinking about the characters, settings and plot and trying to retell the story using our story maps.
- Using Talk for Write to make up our own stories too and act out our stories.
- Writing our names and other words when we can.

Mathematics

Little Learners will be learning to:

- Mark make numbers in and around Little Learners.
- Look at number problems linked to our stories and think about how we can find the answer.
- Look at different ways of separating groups of objects.
- Find shapes in our environment.
- Use positional language to play different games.
- Recognise numbers and count, including fishing for numbers!

Understanding of the World

In Little Learners, we will be:

- Finding out about jobs people do including mechanics and visiting the garage and sporting professionals.
- Looking at what makes us special and unique
- Using computers to find out more and programming beebots
- Visiting the Seaside and the aquarium!

Expressive Arts and Design

In Little Learners, we will be:

- Learning with Debutots this term!
- Making up our own songs and music for sports events and seaside activities.
- Exploring colours and how colours can be changed.
- Talking about our pictures and models.
- Making a wide range of exciting creations and baking!

How you can help at home:

Share books with your child as much as you can, talk about the things you do and see together and encourage them to begin to dress and undress themselves. Talk about their time with us and share any experiences with us- you can use Tapestry to show us what they have been up to!
