### **How can you help at home?**

**Nursery ‘Library’ Trolley** –we have a trolley of resources, please use them and borrow them to share lovely stories and activities at home with your children.

**Books**- please read, share and talk about as many books as you can! Through this you can build your child’s language, understanding and love of stories.

**Talking**- please talk about what you are doing, where you are going, what you can see... talk about what your child is doing... talking is key to so many new words, experiences and understanding!
