Expressive Art and Design

- To begin to add detail to pictures.
- To be able to work together to create.
- To be able to evaluate and edit their work
- To be able to listen to and appraise music.

How can you help at home?

RWI- Please listen to your child read daily and practise their speed sounds and tricky words. With this you will be able to develop their sounds bank and support them to read simple sentences.

Books- please read, share and talk about as many books as you can! Through this you can build your child's language, understanding and love of stories.

Talking- please talk about what you are doing, where you are going, what you can see... talk about what your child is doing... talking is key to so many new words, experiences and understanding!
