Expressive Art and Design

- To begin to add detail to pictures.
- To be able to work together to create.
- To be able to evaluate and edit their work.
- To be able to listen to and appraise music.

How can you help at home?

RWI- Please listen to your child read daily and practise any speed sounds and tricky words they have in their folder.

Books- Please read, share and talk about as many books as you can! Through this you can build your child's language, understanding and love of stories.

Talking- Please talk about what you are doing, where you are going, what you can see... talk about what your child is doing... talking is key to so many new words, experiences and understanding! Have a look and engage with what we put on Tapestry, talk to your child about the photos we have put on there.

Maths- Explore! numbers in the environment, compare amounts of objects regularly and see if you can recognise number in the environment. Can you find out how many altogether?
