

Years 5
Autumn term
2023

Is calling the Vikings vicious killers and thieves fair?

RE

Being human - Hinduism and Islam

We will be learning about core Hindu and Islamic beliefs and how these impact on the lives of individuals and build a sense of community. Y5 will have some opportunities to discuss their ideas and thoughts in a Philosophy for Children approach.

Computing

Coding and Internet Safety

At the beginning of the term, Y5 will be using a range of programs to practice and develop their coding skills. In addition, Y5 will have the opportunity to create spreadsheets using excel. Towards the end of the term, Y5 will be exploring how to keep safe on the internet.

French

Clothes and The Vikings

Y5 will continue to develop their understanding and application of the French language.
Autumn 1 - learning about different names of clothes
Autumn 2 - Vikings
Children will have the opportunity to apply their French grammar knowledge to a piece of extended writing too.

History and Geography

Our topic this term centres around the Viking and Anglo-Saxon struggle for the Kingdom of England. We will be looking closely at key events and individuals during this time period, including the Viking raid on Lindisfarne and archaeological discoveries that tell us more about this time period, including the finds at Sutton Hoo.

PSHE and Values

Y5 will be covering the topic of relationships. In this topic, we will be exploring what a healthy/unhealthy relationship might look like, looking at what peer influence is and how to be assertive in different situations.

Autumn 1- Honesty
Autumn 2- Love

P.E

This year, Y5 will be swimming on a Friday afternoon.

At school, children will be focusing on the personal development strand where they will have the opportunity to set goals for themselves. They will be developing their ball skills and being able to balance with a partner.

Science

This term in science, children will be exploring these big questions:

Autumn 1 - How do materials change? How can we reverse changes? What methods can we use?
Autumn 2- Which forces has the greatest effect on a falling object: air resistance or gravity? Focusing on working scientifically and creating investigations.

Art and DT

Drawing and paint and mixed media

We will be exploring different drawing techniques and the concept of retrofuturism.
We will be using paint mixed media art to create some quirky portraits.
DT - Y5 will be developing their knowledge around structures to create a purposeful shelter which they will plan, create and evaluate.

Music

Spring 1- Based on the theme of Ancient Egypt, children learn to identify the pitch and rhythm of written notes and experiment with notating their composition.
Spring 2- Children are introduced to this famous genre of music and its history, and learn to identify the key features and mood of Blues music and its importance and

Special days

WOW day- Friday 16th September 2023

We are pleased to welcome Historic Workshops back to school for a fun filled day of archeology, battle tactics and digging deeper into the life of a Viking.

Forest school - Monday 11th September 2023
